ABOUT US

IDigitalAKKI Media, officially registered as IDigitalAKKI India Private Limited, stands as a cutting-edge 360° digital marketing powerhouse based in Gurugram, Haryana. Spearheaded by visionary entrepreneur Aakash Kumar Jha, the agency has built a strong reputation for delivering specialized services in Wikipedia Page Creation, Personal & Business Branding, SEO, Google Knowledge Panels, and Performance-Driven Marketing.

Fuelled by a talented team of 30+ digital experts and a rapidly growing portfolio of clients across 15+ countries, IDigitalAKKI Media is recognized for its authentic, strategic, and impact-focused digital solutions. As the brand scales new heights, it is preparing for a major international leap with the launch of its Dubai office in 2025, reinforcing its mission to shape global digital identities with authority and influence.

IDigitalAKKi Media

VISION & MISSION

Vision

To become a globally recognized digital agency that empowers personal and business brands to stand out, influence, and grow digitally.

Mission

To provide end-to-end digital solutions rooted in creativity, performance, and trust, ensuring that every client's brand leaves a lasting digital footprint.

- 1 Build global identities
- 2 Redefine digital branding
- 3 Deliver impactful solutions
- 4 Empower every brand

BEHIND THE BRAND

Aakash Kr. Jha
Founder & Director

A visionary entrepreneur and digital branding expert, Aakash Kumar Jha founded IDigitalAKKI Media with the mission to help individuals and businesses build authentic and powerful digital identities. With over 8 years of experience in the digital marketing space, he has worked with influencers, CEOs, veterans, startups, and global brands, delivering impactful results across India, UAE, USA, and beyond.

His leadership, combined with his hands-on approach to strategy and execution, has helped shape IDigitalAKKI Media into a trusted global name for Personal & Business branding, performance marketing, and more.

BRANDS THAT TRUST US

Proudly partnered with clients across 15+ countries.
